Camp Philosophy

It is the philosophy of the basketball camp to teach and emphasize the skills we use with our high school players. We want to create an atmosphere of great energy and enthusiasm to further develop the campers' love for the game of basketball.

Specialty Camp

In this camp we will emphasize the specific skill of your individual position. The camp will be divided into perimeter and post players.

Full Day Camp

This is our traditional camp that we've had for 14 years. Each day will include 3 hours of group instruction, participation in practice, cutthroat or contests, and participation in one game. Campers must bring a sack lunch everyday. Concessions will be available.

Instructors

ThunderRidge coaching staff and players will work the camp. Alumni, including several college players will also be working the camp.

Enrollment

Applications will be accepted on a first received basis. No confirmations will be sent. Forms and money will be returned if not accepted. Refunds are requested by previously accepted campers will be made for medical reasons only. A \$20 processing fee will not be refunded.
